

# Delaware End-of-Life Coalition

Educators, clergy, health professionals, caregivers, and community partners coming together

## 10th Anniversary Excellence Award Dinner (Hospice and Palliative Care)

The DEOLC 2010 Excellence Award in Hospice and Palliative Care will be presented to three outstanding individuals: a Delaware physician, nurse, and bereavement professional (e.g., psychologist, social worker, clergy, funeral home director) for exceptional service, dedication and commitment to quality of care at end of life. We invite you to join us for presentation of these prestigious awards and to nominate a deserving colleague (nomination forms may be downloaded at [www.deolc.org/events](http://www.deolc.org/events)).

### Dr. David J. Casarett: Guest Speaker and Author

#### "What would you do ...

If you had only a few days to live? Or a few weeks or months? What if a loved one were in this situation---how could you help that person decide how to spend the time that remained?"

Join us as our guest speaker, Dr. David Casarett, NHPCO's Consultant Medical Director and author of *Last Acts: Discovering Possibility and Opportunity at the End of Life*, discusses answers to these provocative questions and helps us all to make sense of our own last days.

## Wednesday, November 3, 2010

Christiana Hilton, 100 Continental Drive, Newark, DE 19713
